2nd December 2019

Dear Clubs,

Please find below the 2020-2021 Downs Rugby affiliation fees. The Board has decided on some small increases across our competitions, to reflect the growth in competitions across the region and our ability to service our clubs and competitions appropriately, whilst being mindful of the plight of the drought on our Region. I will work with all Clubs to ensure they have access and apply for Grants for vital infrastructure, as some sources of sponsorship are affected with the state of the local economy.

You will note the letter on 2019 Downs Rugby Affiliation Fees was sent on December 20, 2018. Rugby AU is now opening Registrations in October for the following year to cover pre-season contact training. You must ensure players and Club Volunteers Register, prior to any contact training / play.

Note: 2020 Registrations through Club Admin access on Rugby Xplorer are open as of 1 October 2019. Full Guide on Rugby Xplorer, Insurance, and Registration Regulations located at <http://www.downsrugby.com.au/documents/forms>

➤ All fees are inclusive of GST:
