***Per 1.1 Competition Rules:**

I give permission for my students to participate in this program.

I acknowledge that there are some risks in body contact sport programs such as these, and I accept Downs Rugby Limited ('DRL') and its employees and agents will not be liable for any injuries sustained by teenage children during the 2020 South West 7s program. **DOWNS RUGBY INSURANCE STATEMENT** It is the responsibility of each school which participates in the program to acknowledge and inform their students of the risks involved in sporting activities of the nature covered in the activity. DRL accepts no responsibility for any injury, loss and/or damage that arises out of a student's participation in the activity. DRL suggests that schools recommend that parents obtain private health insurance for their child (for things such as general medical expenses and dental) to cover any accident, injury, loss and/or damage which they may suffer as a result of participating in the program. **If students have questions regarding the insurance coverage provided by their school in respect of participation in these programs they should contact the school directly.** **Liability and Risk:** Rugby Union is a body contact sport which carries a risk of personal injury. DRL takes steps to reduce the risk of serious injury, but it is not possible to eliminate risk in a sport involving forceful body contact such as Rugby Union. By signing this registration form, you voluntarily assume the risks associated with participating in Rugby Union and acknowledge this warning of the not insignificant risks of injury involved in playing Rugby Union. Whilst some limited statutory insurance cover is available in some States for some participants in Rugby Union who suffer injuries, the Civil Liability Act in each State (the Acts) limit the liability of DRL (including its volunteers, members, employees and officials) from civil litigation arising out of injuries suffered whilst playing, or training for, Rugby Union. **Privacy Statement** The personal information provided on this registration form will be used by DRL for general administration and communication within Rugby Union and other matters of welfare relating to your child's participation in this program. The information will be stored securely and will not be provided to any third parties or used for any purpose other than those outlined. **Publicity Statement** Photographs may be taken of the activities involved with this program. I consent to DRL using the photographs for publicity and promotion of Rugby Union. **Code of Conduct:** per the <http://www.rugbyau.com/-/media/rugbyau/documents/RugbyAUCodeofConduct.pdf> **Dispensation** It is the responsibility of the School to ensure their players are playing in the correct age group they are entered in.
