

23rd August 2021

2021 South West 7s Competition

Hello All,

Thank you for your patience as we prepare for this year's competition.

STRUCTURE

Downs Rugby's 7s High Performance Committee: Rick Lingard and Craig Coetzee are the competitions conveners. We collectively thank Rick and Craig for their voluntary contribution to Downs Rugby. Myself as Competition Manager, all correspondence is to be addressed to myself for South West 7s.

INDIVIDUAL REGISTRATION & PER TEAM LEVY

As outlined and agreed at the previous South West 7s Committee meeting, South West 7s will adopt individual Rugby Xplorer Registration from now on. The reasons behind individual Xplorer registration are very important, including: AON Insurance Coverage, Competition-Management, Key Statistics (e.g. Height, Weight, Date of Birth), Serious Injury / Concussion Management can all be completed digitally and for scoring purposes, Bonus Point systems can work.

Cost per participant for 2021 for individual Xplorer Registration is \$20.40 pp. A guide for registration will be circulated later this week, with all players to be registered prior to the end of term three.

Cost per team for 2021 will be set at \$390 ex. GST. This levy covers the nuts and bolts of the competition, including: Provision of First Aid per field, Referees, Trophies, Medals, Footballs and other ancillaries.

Regards,

Matt Hammond | General Manager
