10<sup>th</sup> December 2021

Dear Clubs,

Please find below the 2022 Downs Rugby affiliation and per team fees.

The Board has held two strategic planning meetings in 2021 with an external consultant helping to map out and plan the next 5 years. One of the major recommendations to come out of these meetings is the need to have some extra admin and game management help. The Board has undertaken to increase our sponsorship platform to help subsidise these positions, however we will need some help from the clubs as well. In 2016 Downs Rugby administered 4 competitions, now administering 7 competitions and representative rugby that span 11 months of the year.

➤ *All fees are inclusive of GST:*

**Senior Mens XV's** Remain offline and are invoiced to the Senior Clubs directly in March of each year.

Small Club Affiliation     \$1,100  
Large Club Affiliation     \$2,420  
Per Team Fee                 \$1,815

All Downs Rugby 'per player' fees will be collected via Rugby Xplorer registration gateway:
